

Press Release

NICOSIA 01.06.2008

SUBJECT EXA HPC participates in two research proposals submitted for funding to the Cyprus Research Promotion Foundation.

EXA HPC is a partner in two research proposals submitted to the 2008 Framework Programme (Δέσμη 2008) of the Cyprus Research Promotion Foundation.

The first proposal entitled *“High Performance Data Stream Management Networks”* was submitted in partnership with the Cyprus University of Technology, Stream Engineering Ltd, and the Cyprus Chamber of Commerce and Industry. The proposal was submitted to the New Infrastructure Programme.

The second proposal was submitted to the Sustainable Development Programme in collaboration with the Cyprus Oceanography Center (University of Cyprus), and the University of Athens. Its title was *“Eastern Mediterranean Ocean Forecasting System”*.

More information on the proposal partners can be found at the following websites:
