

## Press Release

NICOSIA 20.08.2008

**SUBJECT EXA HPC and the Environmental Fluid Mechanics Laboratory of the University of Cyprus sign a Memorandum of Understanding**

EXA HPC and the Environmental Fluid Mechanics Laboratory (EFM), of the University of Cyprus, and its associates, have signed a Memorandum of Understanding (MoU). The MoU sets forth the collaboration framework between the two entities in the field of environmental fluid mechanics. The combination of the computational, and fluid mechanics expertise, and infrastructure, of EXA HPC and the EFM are expected to provide significant advantages to both entities as well as third parties.

More information on the EFM can be found at the following website:

- EFM : <http://www.eng.ucy.ac.cy/efm>

### **About EXA High Performance Computing Ltd**

EXA HPC is a Cypriot company active in the field of parallel, high performance, and multicore software development. It also provides integrated computational, research and technology development, and training and consulting services in the aforementioned fields.
